

## Welcome to registration for the 2024 Area 8 Handbell Musicians of America Festival/Conference Registration!

Registration occurs in two parts:

1. Register as a group or individual for the entire conference or as a daily registrant. You'll need the email address for each individual you are registering. No payment is due immediately. You'll receive an email with all the information you submitted and your invoice. If you're paying by PayPal, you'll also receive an PayPal invoice from the treasurer.
2. Pay at least the deposit, and each registrant will receive an email with links to forms where they can select their classes as well as register for extras like Thursday seminar, Bronzefest, t-shirts, etc.

Final payments are due by May 1, 2024. All registration fees minus \$75/ringer are refundable up until May 1, 2024.

We welcome youth to attend with a chaperone, who must accompany the youth to all Festival activities - rehearsals, meals, concerts, classes, etc. This chaperone can be an adult ringer.

***Get started by answering the questions below!***

### **Can you attend both days (Friday, June 21 & Saturday, June 22)?**

**Yes!** We're excited you can join us for the entire festival. As a group, you bring your own foam, covers, bells, chimes, mallets, etc. (If the answer is no, keep scrolling to the bottom of the page.)

**Are you registering a group - 2-3 people or more?** Use the *Group Registration* form below. You'll need to know which division your group is ringing in, how many feet of table you'll want for massed ringing, and an email address for each individual you are registering.

### **Are you registering just 1 person?**

*DO YOU KNOW WHAT GROUP YOU WANT TO RING WITH?* If so, don't register yourself. Ask your group contact person to ADD you to the group. That allows us to know where to place you on the massed ringing floor.

If you are attending with others (even just 1 other) and you're bringing your own bells, foam, etc., please register as a group using the Group Registration form above.

Otherwise, continue here - you're an individual ringer!

We have two categories of individual ringers:

1. Those who want to ring a specific position and bring their own bells.
2. Those who are willing to ring a position within a range and will be placed in an existing group. Those individuals would not have to bring bells, foam, etc. If you have a friend who is also an individual ringer in this category, you can ask to be placed in the same group.

Use the form below to register as an *Individual Ringer*. You'll need to know which category you wish to register in, the name of the friend (if applicable), and the email address where you wish to receive Festival communications.

**Can you attend both days (Friday, June 21 & Saturday, June 22)?**

If the answer is **no**, use the form below to register as a *Daily Registrant*. You'll need to know which day you're attending, and the email address where you wish to receive Festival communications.
